

Tesla Supercharger anniversary in Europe

Free charging for all EVs on August 29, 2023

To celebrate 10 years of Tesla Charging in Europe Tesla will organise a 1-day promotion event during which all Superchargers in the following markets will be providing charging services for free: Austria, Belgium, Croatia, Czech Republic, Denmark, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Israel, Italy, Liechtenstein, Luxembourg, Netherlands, Norway, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden, Switzerland, United Kingdom.

Charging session must be started between 09.00 CEST and 23h59 CEST the latest.

The event is organised by Tesla's local entities operating Superchargers in the listed markets (Tesla).

No purchase necessary.

The event is open to Tesla owners and the non-Tesla owners with and without membership and customers paying via Chargemap in France. Non-Tesla owners can only charge at stations open to all EVs.

Photography and filming of the event will be taking place for promotional purposes. Please let the photographer onsite know if you do not wish to be photographed or filmed.

Tesla reserves the right to hold void, suspend, cancel, or amend all or any part of the event where it becomes necessary to do so. Any changes to these terms and conditions, or cancellation of the event, will be posted on the Tesla website.
