

Insure MyTesla

InsureMyTesla is a comprehensive insurance program developed in cooperation with Aviva*. Designed for Tesla cars, InsureMyTesla enhances the customer experience with the following benefits:

- Competitive pricing, including discounts recognizing the safety and technology in Tesla vehicles, as well as multi-vehicle and multi-policy discounts
- Comprehensive coverage for accidental loss or damage to your Tesla
- Wall Connector Coverage
- Full glass coverage
- Coverage for your key fobs if they're lost, damaged, or destroyed
- New for Old Replacement should your Tesla vehicle become a total loss (Optional endorsement up to 60 months)

**Take advantage of InsureMyTesla coverage at a competitive price
Visit <https://www.tesla.avivainsurance.ca> or call 1 844 477 7800**

*The InsureMyTesla program is powered by Aviva. This program is administered by Aviva Agency Services Inc., who distributes insurance products underwritten by S&Y Insurance Company and Traders General Insurance Company. Aviva Agency Services Inc., S&Y Insurance Company and Traders General Insurance Company are wholly-owned subsidiaries of Aviva Canada Inc. Auto insurance is only available in the provinces where private auto insurance is sold; not available in British Columbia, Manitoba or Saskatchewan. Tesla is not an insurance company or agent. The content on this brochure is for information purposes only. For exact terms, conditions, restrictions and limitations, please refer to your policy wording. Aviva and the Aviva logo are trademarks used under license by the licensor.
